

**HI-PRO LED
HIGH LUMEN
INDUSTRIAL/
COMMERCIAL
LAMPS**

JANUARY, 2019

The standard in large venue efficient lighting.

Lighting larger spaces can be challenging, to say the least. Building codes everywhere set minimum lighting safety and efficiency standards for virtually every structure, every space, large or small. Hi-Pro LED hi lumen lamps are engineered to meet those standards, and meet them for years to come. Hi-Pro Led lamps can save up to 80% on utility costs vs. older technologies and significantly reducing maintenance costs. Many of our lamps are designed for very specific applications making it easier to meet the multiple lighting requirements a venue might present, and Satco employs the best electrical components, materials and overall engineering the industry has to offer.

This attention to design and purpose makes lighting large industrial and commercial spaces — warehouses, retail floors, factory floors, loading docks, residences, parking garages, schools, places of worship, office buildings of all types, indoors or out — easy and efficient. Now, entire venues can benefit from the lower energy costs, safety, lower maintenance and the lasting value Hi-Pro LEDs offer.

Hi-Pro LED high lumen industrial/commercial lamps from Satco/Nuvo.

LED A21 LAMPS

Hi-Pro LED A21 lamps

High lumen, A21 lamps for industrial and commercial applications

- For use in bollard and post top lighting
- High ceiling recessed lighting
- Replaces high lumen incandescent and CFL lamps
- Dimmable
- Damp location
- Saves over 80% on energy costs
- Advanced heat dissipation design
- Direct wire range voltage 120-277V options
- High efficiency—up to 150 LPW
- 2700K, 4000K and 5000K options
- Base up, base down or horizontal operation
- Long life—25,000 hours
- ENERGY STAR certified*
- 5 Year limited warranty***

Hi-Pro LED A23 & A25 lamps

Applications

- For use in bollard and post top lighting
- High ceiling recessed lighting

Features

- Replaces high lumen incandescent and CFL lamps and up to 150W HID
- 25W - E26 and EX39 / up to 3600 lumens
- 35W - EX39 / up to 4800 lumens
- Saves over 80% on energy costs
- Advanced heat dissipation design
- Direct wire range voltage 120-277V
- High efficiency—up to 145 LPW
- 2700K, 4000K, 5000K and 6500K options
- Base up, base down or horizontal operation
- Damp location
- Long life—50,000 hours
- 5 Year limited warranty
